Painting workshop with Anna Coulombe

Tuesday, July 17, 1 – 2:30PM

Bio:

I am my background. I am an auntie. I am a dancer. I am an artist. I have Down syndrome and I love painting word art, Queen Lucy my cat, birds, landscape, architecture, gardens, trees and mountains and the sea. I listen to music when I paint. My ideas come from thinking in my head and from my life. Art changed my life. A change outside of Down syndrome.
